

BACK TO SCHOOL

Welcome back to school! Hynes-UNO is bustling with both Kindergartners and First Graders and we could not be more excited to have the students back on campus. Teachers and students have been working hard all quarter to make this year the best year yet; it's hard to believe the first quarter is coming to a close and we are celebrating Fall Break. We are so thankful for the continued support as we navigate this unprecedented time. With your help, we truly can make this the best school year ever! #TheAdventureContinues
