

The Great Kindness Challenge

Hynes is all about being kind, so we took it to the next level this year. Our school, faculty and staff went above and beyond to celebrate the Great Kindness Challenge. Students were given heart shaped papers to create a heart to place in their window or to give to someone. We sent out ideas of ways to be kind and went above and beyond to show kindness throughout our day. Teacher and staff were giving shout outs to those who were doing kind actions to others. The staff was able to create a beautiful mural outside on the fence reminding others to be kind. Mr. James even got his photo in The Great Kindness Challenge 2021 Flipsnack Photo Book. It was a great week for all at Hynes- UNO! Don't forget to be KIND!
