

Hynes UNO  
First Grade Supply List  
2020-2021

Welcome to First Grade! There are two options for securing your child's school supplies offered to parents this year. One way and perhaps the easiest way is to purchase it from an online vendor that will also serve as a school fundraiser. The online vendor can be found through our website at [www.hynesschool.com](http://www.hynesschool.com). Our school's zip code is 70122. Parents can order and pay online and the supplies will be delivered directly to the school. It's a modern "virtual" answer to the store. Please note that some items are specified with a brand name. We have found these particular brands to be the most durable and highest quality for the price. We look forward to working with you and your child this year!

**Please label each of these items with your child's name:**
