

# NOTES FROM NURSE ASHLEY

## School Medications

Any medication that will be administered at school has to be turned in with the school nurse. All completed paperwork and proper medication prescriptions will be reviewed and signed off with the parent and the school nurse at that time. Please do not send any medication in your child's backpack as that could put other students in danger. Thank you for your understanding. You can reach the school nurse, Ashley Corbello, weekdays from 9:00 AM – 1:00 PM at (504) 359-7712 or [ashley.corbello@hynessschool.com](mailto:ashley.corbello@hynessschool.com)
