PRESIDENT'S MESSAGE

Greetings Hynes-UNO Families! I hope you are as excited as I am for all of the positive happenings taking place at our new school. I want everyone to know that your PTO officers are working hard on our main goal for this inaugural year - to build a strong community of Hynes families who are creating a supportive environment for our kids. Thank you so much for participating in our events and volunteering your time and energy to invest in our children's future!
