

The Husky Buddy Program

The Husky Buddy program is in full swing. Every Thursday our Little Buddies look forward to reading one-on-one with their Big Buddies and practicing reading strategies. The Big Buddies get to know the Little Buddies' interests and favorite things then they choose books from our library that they will both enjoy reading and discussing. Eighth grader Dylan D. said, "I was surprised at my Little Buddy's ability to read and comprehend. I enjoy interacting with my Little Buddy, and I get to make an impact on his day in a positive way." Another 8th grader, Helena U. commented that, "It gives me an opportunity to take on a leadership role at school. The first graders are so happy and excited to see us, they depend on us."
