

Greetings Hynes families,

Thank you to everyone who came out to our second PTO meeting of the year. We love seeing the cafeteria full of interested and involved members of our school community! Thank you also to everyone who completed the PTO Mid-Year Survey. I appreciate your answers as well as all of your comments. I addressed a couple of items of interest at the PTO meeting, and we'll discuss more items reflected in the comments at the next PTO meeting on Wednesday, March 14th. The PTO officers will continue to discuss the suggestions and comments you made and do our best to represent the entire community of families at Hynes.

We have a lot going on this Spring and hope that you've been reading our emails and flyers! Emails are generally sent in the beginning of the week and flyers go home most Wednesdays with information about upcoming fundraisers and events. Look for our communications so you don't miss any of the fun!

After a little hiccup due to the cold weather, our World's Finest Chocolate fundraiser is now underway. Thank you to everyone who is already selling cases of chocolate, we appreciate your participation! Please see the revised flyer with new sale dates that was sent home Wednesday, January 24th. For more information please email us at HynesPTO@gmail.com.

This Fall I have really enjoyed working with a combination of experienced parents as well as family members new to volunteering at Hynes. Personally, being a part of the volunteer corps of the Hynes has been not only gratifying (watching the kids on the basketball courts makes me smile every time!), but also a fun way to meet new people and spend time with Hynes community members. If you want to be a part of a fabulous and fun group of volunteers, email us for more info. There are many ways your help would be welcome as we get into our Spring calendar of events!

Thank you all for your support of Hynes and the PTO,
Diane Freedman
