

Hynes hosted High School Day for our 8th grade students and their parents on Friday, October 5<sup>th</sup>, 2018. Counselors and student ambassadors from 30 public and parochial high schools from the New Orleans metropolitan area were present and presented their programs in an informal fair-like setting. Students and parents were able to obtain application information and speak to representatives firsthand. We wish our 8<sup>th</sup> grade students success on their continued educational journey!
