

FALL 2018 SCHOLASTIC BOOK FAIR = SUCCESS!

The Scholastic Book Fair held in September was a tremendous success! “Many hands make light work”... in this case, no truer word has ever been said. My sincerest gratitude is extended to everyone who supported this library fundraiser from making purchases from the vast selection of books sent to our school by Scholastic to those who volunteered their time and energy setting up, breaking down, and assisting during book fair week so our students can experience this very exciting and memorable event.

\$5,000 was raised to directly support our school library program. That’s a lot of books and learning materials! A smaller, no-frills book fair is scheduled for late spring to promote summer reading. Be on the lookout for the final dates and summer reading lists!

Constructive feedback is welcomed, so if you have ideas on ways to improve future book fairs, I’d be glad to read ‘em at vinh.tran@hynesschool.com.
