

March 19, 2019

Dear Hynes Families:

As we turn into the final stretch of the 2018-19 school year, we have some important events for which to look forward. The Hynes School Fair will be held on Saturday, March 30th. The fair is our final PTO fundraiser of the year. It is a great time for our students, accompanied by their families, to socialize together outside of the classroom setting and in a family-like atmosphere. The stage will be set for fair performances for all to enjoy! Please remember to sign up for your fair shift. Filling the slots early helps the PTO fair chairs make other planning happen, rather than taking the time to continuously remind families to volunteer. This event is based SOLELY on volunteers and donors. I know that you want to be in that number of those supportive volunteers who contribute time, no matter how much of it, to our events *for* the children.

A fair holiday is included in this year's calendar. There will be no school on Monday, April 1st to ensure that our school site has been completely restored and cleaned for learning. (This is not an April fool's joke!)

I hope to see you at our final PTO meeting of the year scheduled for Wednesday, May 1st. Stay tuned for other announcements that will come your way with information about the end of year programs.

Make note of these start dates for the 2019-20 school year:

Thursday, August 15th- students in grades 1-6 begin

Friday, August 16<sup>th</sup>- students in grades 7-8 begin

Thursday, August 22<sup>nd</sup>- students in Kindergarten and Pre-Kindergarten begin

The entire 2019-20 calendar of holidays and important events will be added to the Google calendar located on the Hynes website.

I will also take this opportunity to thank you for your support for this entire school year. At Hynes, we demonstrate that when families and schools work closely on aligned goals, students benefit and prosper. Let's finish this year in that same spirit.

Go, Team Hynes!

Mrs. Douglas

Principal/CEO
