

GOTR:

Thank you to our Girls on the run and Heart and Soul coaches, running buddies, and of course our girls! They worked hard this season and completed the spring 5K at Audubon Park on April 6th! It was so special to see the familiar faces of Hynes' teachers, administration, and family cheering them on at the race. Following the 5K the girls participated in a community impact project where they made care packages for the New Orleans Fire Department. It was a great end to a great season!
