

COACH NATE'S CORNER

Hello and welcome back to another school year at the wonderful Edward Hynes Charter School ! I hope y'all had a busy summer filled with entertainment, memories and physical activity ☺. This year I will be writing a piece in the Hynes Newsletter addressing our wonderful "Junior Coach of the Month" from our Junior Coach Leadership Program. I will also be providing our Hynes families with a quick game that can be played in the comfort of your home.

Junior Coach Leadership program

For those of you who are new to Hynes or have not heard of our wonderful Junior Coach Program here are some details!

The Junior Coach Leadership Program (JCLP) is a program offered to sixteen 4th and 5th graders who regularly demonstrate the Husky 5. These students apply in the beginning of the year and are hand picked by myself, teachers, and administrators to represent a team of leaders who help assist grades 1- 5 recess.

JC's help lead games, solve conflicts, and promote positive recess culture out on the yard. We meet once a week after school to discuss skill sets, strategies, and games geared towards keeping the Hynes Recess yard an awesome place to play. Here are some pics of our 2017-2019 JC's in action →
