

September 4, 2019

Dear Hynes Families:

September is Library Card Sign Up Month. Start the school year off in style by making sure your child has his/her own New Orleans public library card! In addition to books, a New Orleans public library gives you access to thousands of digital resources for learning and entertainment.

Our neighborhood library, the Robert E. Smith branch, has graciously offered to process new library cards for Hynes students in bulk. If your child does not have an NOPL account and is in need of a library card, please complete the [application attached](#) and submit it to Ms. Tran (vinh.tran@hynesschool.com) as soon as possible. Library cards will be delivered to students at school.

Be sure to stop by your local NOPL branch for information about homework clubs, e-resources, and library study spaces! <http://nolalibrary.org/>
